Jubilant Jollification

The Night of Heroes

A euphoric celebration on 17th August, to honour the position holders in Matric Exams 2017, enraptured the audience at 'The Night of Heroes', which was the brainchild of Mr Muddassir Riaz Malik, Deputy Commissioner Jhang, Chairman Jhang Educational Trust. The position holders of SSC Exams BISE Faisalabad Maryam Zahra, Rikza Saeed, Muhammad Hamza Baloch and Muhammad Waqas were gladdened and gratified to receive astounding cash prizes for outstanding academic achievement. The Chief Guest, Mr Muddassir Riaz Malik, also rewarded the teachers of the above students with cash prizes for their pedagogic and conscientious efforts.

Coke Studio sensation Ali Sethi was the superstar of the evening. His enthralling performance left everyone mesmerised. The scintillating celebration drew laudable response from the audience who sung along with the superstar, creating a vibrant atmosphere during the concert. The college choir also added to the beauty of this function by singing national songs to raise patriotism among Chenabians

Dream big and strive for it! In matriculation exam 2017, Chenabians secured top six positions in BISE Faisalabad. 213 students got A+ grade with 83 bagging 1000 plus marks, proving the edifice of learning at CCJ to be a source of such overwhelming accomplishments.

- **Maryam Zahra** stood overall first in BISE Faisalabad and also first among girls (Science Group)
- **Rikza Saeed** overall second and also second among girls (Science Group)

- **Muhammad Hamza Baloch** second among boys (Science group)
- **Muhammad Waqas** third among boys (Science Group)

Deputy Commissioner's Award for this outstanding performance was surely an inspiration for many others to scale greater heights. Amongst all this cheer and uplift, the wonderful commitment and the fastidious watchfulness of their teachers should not be forgotten. This is so far the best ever matriculation result in the history of Chenab College Jhang! All praise to Almighty Allah. ©

Fantastic Feat *Distinction in Cambridge International Examination*

Another dish fit for a king; another feather in the cap, and the pride of Chenab, Rizwan Javed received Outstanding Cambridge Learner Award for gaining highest grades in Lahore region - the 'Best Across' five Cambridge International AS Level subjects. 'Best Across' awards are issued to

learners who have attained the first highest cumulative total standard marks over a set number of subjects. His dedication and intelligence once again brought laurels to the college. We hope to see such brilliance and resolve from the upcoming students too.

IKSC & IBIC (Kangourou Sans Frontieres - Pakistan)

International Kangaroo Science Contest (IKSC), a contest that provides an excellent incentive to school children worldwide for learning and refining their skills in Science, was held in Chenab College Jhang. In International Bebras Informatics Contest (IBIC), also held under the umbrella of 'Kangourou Sans Frontieres - Pakistan', Ahsan Baloch and Nimra Ijaz of Class II won silver medals. This competition aims at raising awareness of Computer Science in a fun and rewarding way.

Such learning experiences broaden the vistas and horizons of students and are an opportunity for them to prove their flair.

Exceptional Endeavour

O Level and A Level Result

The college has been consistent, by the grace of Allah Almighty, in producing terrific results in every stream. So yet again Chenabians proved their worth by producing commendable results in Cambridge International Examinations, June 2017. A brief summary of the grades of our stupendous students is as follows:

The students, who had appeared for HSSC part 1 examinations, really had to wait an excruciatingly long and restless time to get their results. As the saying goes "patience is a virtue and the best things in life are worth waiting for", this was ideally the case, as a staggering 69% of all the Chenabians appearing in the exam were able to secure an A+ or an A grade. Atop the crowd, boasting their sparkling

scores were Taimoor Wajid, Anas Muzammil and Ali Haider who topped pre-medical, pre-engineering and Computer Science groups respectively. The superb achievements of all high achievers and the efforts of their teachers were applauded in the grand morning assembly, which boosted their morale and inculcated in them a desire to fetch even better marks in the forthcoming board exams.

Being the first major exam in the students' life, the SSC part 1 exam holds a great deal of significance. Students toil and burn the midnight oil to procure exceptional results in the exams. Such was the eagerness, devotion and infatuation of the Chenabians that 75% of them managed to grab either

an A+ or an A grade and 123 students got 90% and above marks in the recently conducted SSC part 1 exam. Muhammad Omer and Ayesha Rasool were highlighted as toppers in the college acquiring 98% marks. All these gems deserve a great deal of praise for the whack they have shown.

Ravishing Representation

Election for Head Boy and Head Girl

Election for Head Boy and Head Girl took place on the 9th of September, 2017. After being shortlisted, 3 candidates stepped forward for the Designation of Head Boy while 6 candidates competed for the title of Head Girl. After a splendid hour of tremendous introductions and zealous speeches, the much-craved red sash embroidered with the words Head Boy became a part of Haris Bajwa's wardrobe. On the other hand, the second sash wasn't handed over so simply since there was a two way tie between Shireen Javed and Tehreem Khalid. Finally, it was Tehreem who got the most votes in re-election and was graced with the sash of Head Girl.

Go for the Gold!

National Science Talent Contest (NSTC)

Providing a chance to represent your country, NSTC is a fabulous competition. Chenabians participated with a desire and hunger to achieve, and for the first time in college's history, 7 of our students passed the screening test with flying colours in their respective subjects becoming a part of the top 50 students in the country in that particular subject.

- **Physics:** Hamza Usman, Haseeb Ahmad and Moueez Mushtaq.

- **Chemistry:** Muhammad Mughees, Nabeel Ahmed Nasir and Taimoor Wajid
- **Biology:** Farhan Ali.

To top it off, two of them Muhammad Mughees and Taimoor Wajid, have even breezed through the first training camp at H.E.J Institute of Chemistry Karachi University, making their way into the top 20 in country. They will now prepare for participation in the International Olympiad in Chemistry. Good luck guys!

Impressive Inauguration

Swimming Pool Complex in CCJ

Ground breaking ceremony of the swimming pool complex of an international standard was executed by worthy Deputy Commissioner Jhang, Chairman JET Mr. Muddassir Riaz Malik. The event was attended by DPO Jhang, heads of various educational institutions, esteemed parents and dignitaries of the town. Water sports and swimming for the students will not just be a fitness exercise but a therapeutic stress buster and a fun-to-do thing. Not only will it be meant for the students, but still in pipeline is a plan to have the doors of this complex open to the public.

Constructive Counselling

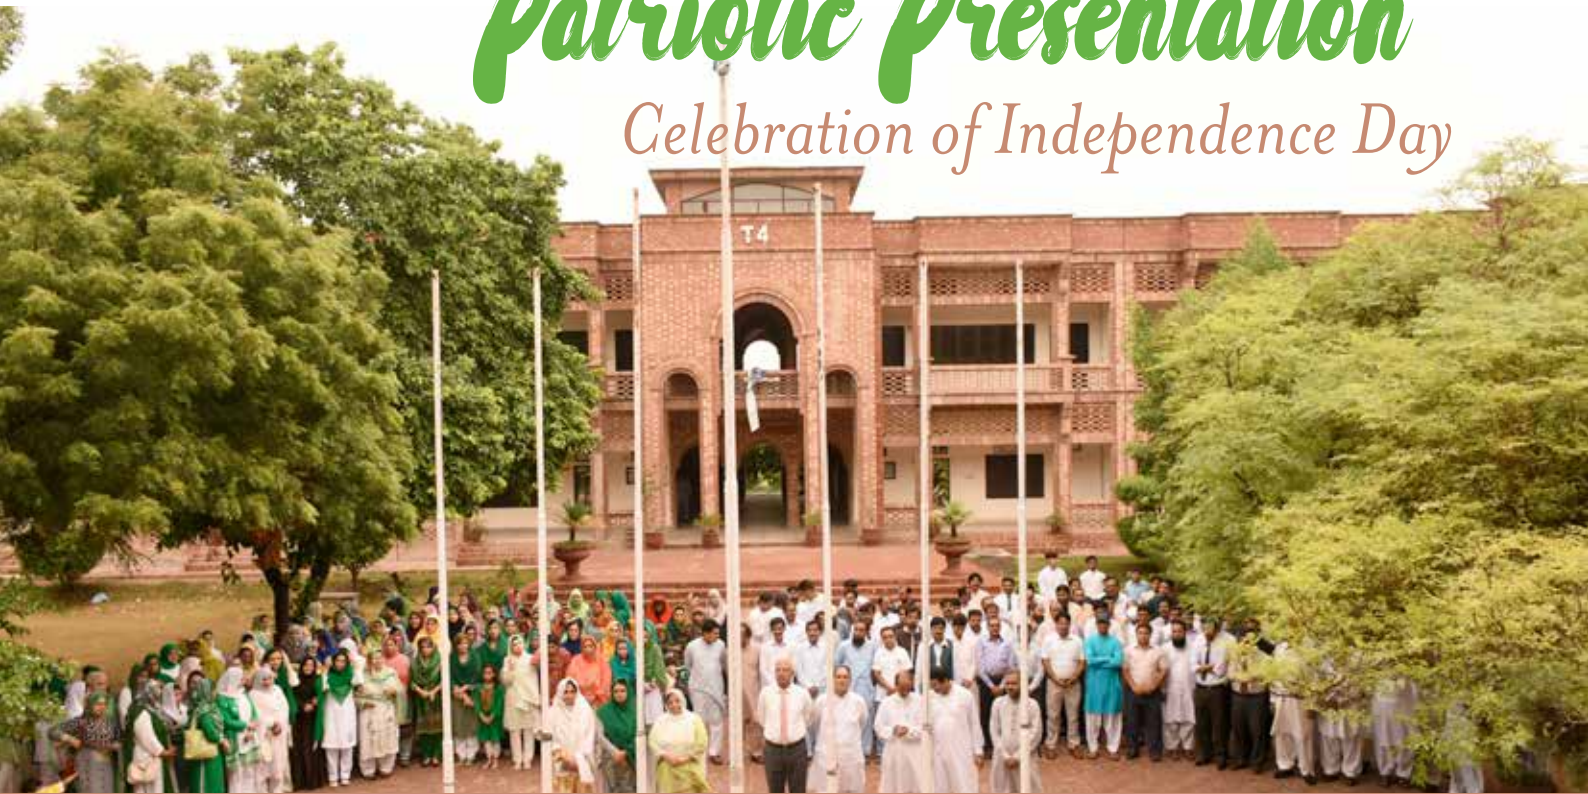

Education Expo and Seminars

Students from A2 Level attended a worldwide Education Expo and took IELTS Mock and SAT Diagnostic Test. They also gathered information about overseas education and scholarship opportunities. Educational advising and career counselling at campus continues in the form of in-house seminars and one-to-one discussions about national and International undergraduate admissions as well as for motivation and personality grooming of the students.

Patriotic Presentation

Celebration of Independence Day

CCJ celebrates the birth of our country and commemorates the profound struggle of this nation to achieve a separate homeland with a right to freedom of choice and expression. 14th August dawned with prayers for peace, prosperity and integrity of our beloved homeland Pakistan and was solemnized as a day of passion and patriotism. The purpose of the celebration was not only to inculcate the spirit of patriotism in the young hearts, but also to revisit the values and beliefs that led to our ancestors laying down their lives for freedom. The event was celebrated through beautiful recitation of national songs and fervent speeches, which infused a lively spirit in the listeners. Live long Pakistan!

Phenomenal Farewell

Goodbye A Level Batch 2k17

The students of the current A2 class hosted a farewell party for their seniors, the outgoing A Level class, on a night filled with emotions and bedecked by an aura of excitement, exhilaration and elation. Though it was a day when friends were to part ways, the exultant mood overshadowed the gloom such an occasion could have otherwise created.

Sparkling performances from the hosts, and the guests alike, became the real highlight of the night, making the audience awe in delight. The guests left the glittering function with merry memories and broad smiles on their faces – an indication that they had spent a joyful time here.
