## The Maiden Visit to CCJ

On the 1st of August, the venerable Deputy Commissioner of Jhang Hafiz Shoukat Ali made his orientation visit to Chenab College Jhang and was welcomed with open arms by the CCJ family as he visited the institution's teaching blocks and proceeded on to examine the under-construction wing T7. He also visited the recently constructed Athletic Centre and Aquatic Centre.

## Building Success – One Brick at a Time

Ground-breaking ceremony of another teaching block T7 was held on the campus. A very warm welcome was accorded to the chief guest of the ceremony Mr Muddassar Riaz Malik, Deputy Commissioner Jhang, Chairman Jhang Educational Trust serving at that time. Students of various classes attended the proceedings of the ceremony. Ms Shafaq Ali has been selected as Headmistress for T7 Pre-school by the interviewing panel headed by DC Jhang/Chairman JET. T7 will have Nursery, KG and 1 classes.

## TAKE A DIP

Following the inception of a swimming pool earlier year, it was decided that to utilize it to the fullest, an unprecedented swimming competition would be held. As the sun shone upon the Chenab College grounds, water splashed around as the young swimmers saw only one goal and that was the finish line. When the races ended, a picture of pride was painted when students posed with their respective prizes with their chests heaved to their fullest extension. Junior and senior school students participated in freestyle, backstroke and relay swimming. Competitions for girls and boys were held on consecutive days. Many dignitaries from the city attended this colourful and refreshing event.

# The Scholars of Tomorrow

## (SSC Part II Results)

The Result of 10th class was astounding as always. Muhammad Omer got overall first position in SSC Examination held by Board of Intermediate and Secondary Education, Faisalabad by securing 1089 marks out of 1100. The overall result was just as impressive with 126 students obtaining 1000+ marks and 273 students getting A+ grade, setting in stone the name of Chenab College as an oddity of nature.

## Education Guidance and Counselling

As a part of educational advising and career counselling, students from A level and FSc part II attended a Worldwide Education Expo where they had one-to-one discussions for eligibility assessment, university admission and SAT/ IELTS preparation with representatives from UK, USA, Canada, Germany, UAE, Malaysia, UAE and Australia. They also took IELTS mock and SAT diagnostic test. They were accompanied by the college Career Counselor Syeda Anum Nasir, who has recently achieved distinction in British Council Agents Training Exam 2018. Education guidance and counselling helps students in making decision about their undergraduate admissions.

# Stars Basking in Glory (SSC Part I Results)

Chenab College's flurry of stupendous results continued as Result of SSC Part-I 2018 proved so with students' hard work and teachers' efforts bearing the sweet fruit of success as a staggering 226 students achieving an A+ grade in their 9th class result – a feat truly unrivalled by Chenab College among its peers.

## EXPLORE THE UNEXPLORED

One of the main focus of scouting is to build character in young people. This was in mind when a scouting delegation was sent to Murree and Ayubia according to the yearly tradition that CCJ has adhered to for many years. This was done under the supervision of Mr. Raza Mehdi, Director Sports and Mr Muhammad Akram, PTI. The students were

involved in activities that were designed to make them aware of life that was not dependent on the modern amenities that we have these days and thus many events took place that had a positive influence on the character development of the students.

## Go Above & Beyond

To infuse a desire for rational and systematic learning in students, International Kangaroo Science Contest was held by Kangourou Sans Frontieres - Pakistan. The competition's purpose is to help students explore the world of Science and improve their skills in the subject.

# Triumph for the Hardworking (CAIE Results)

Chenab College has been producing mesmerising results for as long as one can remember. Continuing the tradition passed down by batches before, Chenabians once again proved their worth in the O/A Level exams by producing some of the best results the institute has seen in its history.

# Annual Elections 2k18

Elections for Head Boy and Head Girl took place on the 8th of September and a grand assembly of students was treated to some amazing speeches by the many deserving students who believed that they should be elected. The teachers from their respective wings voted for the candidate they believed would be the best at their job as Head Boy and Head Girl. Only 2 of those students could take home the sashes of Head Boy and Head Girl. Abdullah of Class A2 was elected as Head Boy out of 4 contenders and Fatima Haider of 12-1 was chosen as Head Girl out of the 2 hopefuls.

# SPEAKERS OF THE NEW WORLD

In connection to the celebrations of the Independence Day, debating competitions were held at district level and as usual, Chenabians brought laurels in the competitions for the college by gaining several positions. In Urdu Speech competitions, Syed Kamal Ahmad got first position and Muqadas Fatima was adjudged to be second. Yusaira Maryam captured first position and Syed Asad Abbas was the runner up in English Speech Contest.

# Encapsulating the Quran

Our college was honoured to have Professor Nighat Hashmi on the 3rd of August. She delivered a soul-stirring Quranic lecture to the students. Not only did her lecture uplift the students emotionally and spiritually, but also boosted their morale. The main focus was on the significance of reading, learning and teaching of quran, its translation and "Tafseer".

## Our Pride, Our Stars HSSC Part-II

By the grace of Allah Almighty our students breezed through the Intermediate examinations, held by BISE Faisalabad, producing stellar results. Muhammad Hashim Khan nailed it by obtaining 1031 marks and securing third position in Pre-Engineering group (boys). Likewise, in General Science group (boys) Ali Haider proved his worth by securing 989 marks and capturing third position in board in the said group.

## Students Soaring High HSSC Part-I

Owing to the remarkable endeavours of students and the untiring exertion of their teachers, the college has produced prodigious results in HSSC part I board exams. Muhammad Asneef Majeed took the lead among boys by securing 487 marks. Comparably, among girls Isha Qasim stood second to none by obtaining 480 marks in pre-medical group. The performance of all high achievers was commended in Grand Assembly of senior teaching blocks T1 and T2.

# Farewell Amigos

Reminiscing the old days, the outgoing A Level Batch entered the college premises for one last time on the 9th of September when a farewell for them was hosted by the current A Level class. A profusion of smiles was seen as the students performed comedic challenges much to the amusement and hilarity of the spectators. It was a nostalgic night as the teachers saw the young stock of students going through the trials of school life now grown up into university aspirants. The boys looked strikingly well and the girls statuesque as they bade goodbye for one last time.

# Teachers Get Taught

It has been Chenab College's consistency to inculcate innovative ways of teaching in their teachers. On August 5th, 2018, a Teachers Training Workshop was held by Oxford University Press for the teachers of Mathematics and Science in Hall of Honour and Conference Hall respectively. They imparted a great deal of subject knowledge and teaching methodologies to the teachers.

# THE CHAMPIONS

A healthy body equates to a healthy life and what can be a better way to promote healthy living than competitive sports. In connection to the day of independence, Inter-District Badminton Championship 2018 was held at Crescent Sports Complex. Chenab College achieved numerous positions in the following order:

- Girls (U-19) Winner 1. Meeram Chaudhary 2. Shanzay Sikander**
- Girls (U-16) Runner-up 1. Shiza Ahmed 2. Ume-Laila**
- Boys (U-16 Independent) Runner-up 1. Khubaib Umair**

# The Talent within us

National Science Talent Contest (NSTC) organized by HEC & Pakistan Atomic Energy Commission is perhaps one of the most prestigious national talent hunt contests in the country. Thus, Chenab College's students had a point to prove their aptitude so they took part in the written test. Six of the students were adjudged to be among the top 50 in the whole country in their respective subjects.

# Jinnah's Accomplished Dream

Surely did Chenabians prove to be promising countrymen! To pay tribute to those who moved heavens and earth vying for a separate homeland, the students and faculty members of Chenab College Jhang manifested integrity and patriotism on August 14th, by presenting zealous national songs and delivering heart-warming declamatory speeches. The flag hoisting ceremony and national anthem sung with greater decibels of sound by the crowd dressed in green and white were truly a spectacle. In the end, Principal Zahid Khurshid Lodhi gave an elaborate briefing on the untiring efforts of our forefathers. The teachers also initiated a plantation campaign for a greener Pakistan by planting around 400 saplings in the college premises.

## Salute to the Brave Warriors

There's no power on Earth that can undo Pakistan! CCJ commemorated the sacrifices made by Pakistani soldiers in defending its borders on the date of 6th September. Not only did the students turn up for participating enthusiastically and showing their love for Pakistan's armed forces; but the

teachers also paid tribute to those who were martyred for the cause of nation. Speeches, tableaus and national songs were sung by the college choir with high spirits. The performances of students, be it in speeches or tableau, were unparalleled.

## LET THE GAMES BEGIN

To ensure a competitive environment, a sense of counteraction must be instilled into the students from the ground up; inter-house sports competitions provide such an opportunity. Not only do they foster physical exercise but are also a great way to fish out talent from the humongous talent pool that is Chenab College Jhang. Students battled their hearts out for bragging rights as they were divided in houses. The Sports that were played were Football, Cricket, Badminton, Volleyball and Hockey among others. Girls and boys both were fervently involved in these activities. The competitions will be the way forward to the Annual Sports Day which is expected to be held soon.

# It's Game Time

On the 7th of June, Muddassir Riaz Recreational Athletic Centre, a multipurpose hall that offers 15 different indoor sports and also serves as the venue for various ceremonies and functions, was inaugurated. A ceremony to accompany the inauguration was held in which many of the leading lights of our city were present to witness the culmination of a truly unique venture in which a state-of-the-art sports centre was established to give the students of our college even more opportunities than they were previously offered in the field of sports.

# Learning the Camera Craft

Exposing students to the diversity of professions and to not conform to conservative expectations to success is one of the biggest aims of CCJ in its attempt to educate students. In the same vein, RAC Jhang Saddar organized photography workshop for the students so that they could learn about photography and possibly develop an interest in it. Guest speakers who graced the stage included the alumni of institution Aghlab Shair, Syed Naqee Shah, Cadet Faisal Hussain, Hamza Riaz and Shahzaib Riaz.

# UNLEASH THE FLAIR

Armed with convincing tones and fiery rhetoric, debaters from every crevice of the College were united under one roof when the Inter-house Debating Competition took place. With their desire to 'wow' the audience, the students delivered impressive speeches, both serious and humorous, in Urdu and English. In the same vein, Inter-house Qirat and Naat Competitions also took place where the senior and junior students with their beautiful voices mesmerized the audience to turn an enjoyable event into a soulful one.

# The Tenderfoot Turn Out Well

Developing confidence in students at a young age is of paramount importance to the College's principals. In connection to this, students who had just learned to speak just a few years prior were made subject to show their art of speaking and performing on the stage. Their performances highlighted the importance of breeding peace around the world; the role of teachers in teaching, inspiring and bringing the change; and the struggles of Jinnah for achieving a separate homeland for Muslims, in connection with World Peace Day, Teachers Day and Jinnah's Anniversary Day respectively.
